The heroes of the book are three unruly dots: Mr. Dot, Mrs. Dot and Little Dot.

At the beginning we choose one of them and follow his or her trail. A journey awaits us, leading us through the pages, then back to the beginning to select another dot and experience the next adventure. With Mrs. Dot we dance at a ball. With Little Dot we go for a walk to encounter a hideous beetle, and with Mr. Dot we find a great hiding place. Sometimes the dots meet and collide. Sometimes you have to help them: clap, shake the book, count the number of insects on the page. It may also happen that the dot and the reader are taken surprise by a caterpillar in the toilet!

This book is beautifully illustrated.
